### Farmer Andrews Meat CSA:

My neighbor has a custom processing facility we can use in the Winter which might allow us to deliver some fresh meat. It is also less messy to package fresh meat in plastic. Please instruct if you prefer fresh meat and if you do not want meat frozen in plastic. Burger & Sausage will be packed in 2 lb plastic bags unless otherwise instructed. 3% of an 1,100 lb steer should result in 10-11 lbs of meat and 5% of an 250 lb Hog should result in 10-11 lbs of meat. If the animal is larger or smaller we will adjust the percent so the value stays the same. Beef Shares are \$80. Hog Shares are \$60.

**CSA Agreement:** Community Supported Agriculture (CSA) is a partnership of mutual commitment between a farm and a community of supporters. CSA members make a commitment to support the farm throughout the season and assume the costs, risks, and bounty of growing food. The share price helps cover the farm's operating cost. In return, the farm provides, to the best of its ability, a healthy supply of seasonal, fresh produce throughout the growing season. As a CSA member, I promise to participate the entire season.
